The Ayurvedaswadhyayam Test Series 2025 – Ayurveda Olympiad is a computer-based test designed to assess and improve participants' understanding of Ayurveda. This platform provides trial tests to aid in preparation, and participants can register for the test series if satisfied with the trial. Registrants can choose their preferred examination time, ensuring flexibility in preparation. Top performers will be recognized with a cash prize of Rs. 10,000, and all participants will receive e-certificates. By registering on www.ayurvedaswadhyayam.com/Registrations/Ayurveda Olympiad/New User Registration, users gain access to Ayurveda educational materials and opportunities to engage with a passionate Ayurveda community. The test series aims to deepen knowledge in Ayurveda, provide specific answers across various areas, offer Continued Medical Education (CME) on Ayurveda, and develop a dedicated Ayurveda community. The announcement date for the Ayurvedaswadhyayam test series 2 is on 1st February 2025, and the last date for registration is on 14th February 2025. The registration fee is Rs. 150 per test series, payable online through details furnished on the website. The test will be conducted online, allowing participants to take the exam anytime between 9:00 AM to 9:00 PM IST on 16th February 2025. The test will last three hours and include 1,000 questions, with a unique answering pattern that allows participants to click on their selected answers.

Participants can make multiple attempts within the 12-hour examination window. The scoring pattern awards 4 marks for correct answers and deducts 1, 2, or 3 marks for wrong answers depending on the severity of the mistake. To qualify for the cash prize, participants must score a minimum of 3,000 marks. The report-checking window is available on 17th February 2025 from 7:00 PM to 8:00 PM, allowing participants to review questions, their answers, the correct answers, and marks gained.

The platform offers special features, including mobile accessibility, immediate access to mock tests upon registration, and the "Need further review" option, which allows participants to revisit specific questions before submitting the test. At the end select the question number under the heading "Question marked for further review" and click on revise. Answered questions are also available for revision by clicking on "Select question number and revise". At the end of the examination or at the stipulated review time, participants can check their answers and marks. Results are available immediately after the test.

Participants are advised to prepare thoroughly, manage their time effectively, and ensure adequate internet connectivity. If connectivity is lost, the test may need to be restarted from the beginning. The syllabus for the test includes the entirety of Ayurveda along with significant portions of modern concepts.

For registration confirmation, participants must contact ayurvedaswadhyayam@gmail.com or call 9447308867/9847965713, providing their name, mobile number, and fee transaction ID. Don't miss this chance to challenge yourself and advance your knowledge in Ayurveda through the Ayurvedaswadhyayam Test Series 2025!
